

Class 600 - Set Piece for 1st Year Students

Un Êléphant par Geraint Jennings

Un êléphant
est gris et grand
par driéthe, par d'vant,
et par dédans.

Un êléphant
n'fait pon d'san tchian,
mais pâsse san temps
païsibliément.

Un êléphant
n'est pas au d'sans.
Nan-dgia! Il en
a l'tou d'san lian.

Et l'éléphant,
tch'est hardi b'sant,
va sus san lent
à ch't adgèvement.

An Elephant by Geraint Jennings

An elephant
is grey and big
behind, in front,
and inside.

An elephant
does not show off,
but passes his time
peacefully.

An elephant
is not on his uppers (short of money).
Not at all! He's got
plenty to live off.

And the elephant,
which is very heavy,
goes slowly
to his ending.
