

I' tchait d'la plyie par Ben Spink

Man doue d'la vie
I' tchait d'la plyie
Touos les jours, toutes les nyits
I' tchait d'la plyie

Quand jé m'sis rêvilyi
I' tchiyait d'la plyie
Quand j'm'en vais m'couochi
I' tchèrra d'la plyie

I' tchait des cats
I' tchait des tchians
I' tchait des crapauds
Dé temps en temps!

La s'maine pâssée
Et la s'maine tchi veint
I' tchiyait hièr,
I' tchèrra d'main

I' tchit à vèrse
I' tchit hardi
Chu jour dé tchi
tch'i' tchit tant d'plyie

It's tipping with rain by Ben Spink

Oh what a fright
It's tipping with rain
Every day, every night
It's tipping with rain

When I lifted my head
It was tipping with rain
When I go to bed
It'll be raining again

It's raining cats
It's raining dogs
From time to time
It's raining frogs toads!

The week just past
And the week that'll follow
It rained yesterday
It'll rain tomorrow

It chucked it down
It poured with rain
That day the rains came
again and again
