En m'en allant à Saint Martîn
Jé rencontris un p'tit lapîn.
J'lé mîns sus mes genoux,
I d'vînt trop jaloux.
J'lé mîns dans man ouardrobe,
I gâtit toutes mes belles robes.
J'lé mins dans ma tithette,
I mangit toutes mes codrettes.
J'lé mins dans man solyi
I y avait un p'tit creux.
I criyit "Cou-cou" et s'en allit.

On my way to Saint Martin by Unknown

On my way to Saint Martin
I met a little rabbit.
I put him on my knee,
He became too jealous.
I put him in my wardrobe,
He spoiled my beautiful dresses.
I put him in my drawer,
He ate all my hazelnuts.
I put him in my loft
There was a little hole.
He cried "Cou-cou" and off he went.
